

Room 7

Our theme this term is 'The Ocean'. We have been learning about different sea animals and visiting places to view the sea and learn more about it. The class has a number of excursions lined up to help children learn more about the ocean.

Bluegum

Bluegum's topic is Minibeasts for this term. To start our term we went for an insect hunt in the garden of our school. We found some ants, and we managed to catch a fly with a cup.

Bluegum and Redgum will go on an excursion together (Homes and Hide-aways of Minibeasts) on 28th May to Kings Park. We are all very excited about our trip.

Beatrice the Butterfly puts an SOS call out to Redgum class

The students in Redgum class have been corresponding with a local winged resident, Beatrice the Butterfly. Beatrice has been searching for new flowers and plants to visit, and Redgum have offered to build her a new butterfly garden.

Aleigha, Abigail, Arion, Koyuki, Grace, Lauren, Mahdi and Tyler have asked her lots of questions about what she needs for a perfect butterfly garden. There's now a list of plants, and work will commence soon.

Stay tuned for further progress updates.

Ask your local supermarket if they have, or would be willing to obtain, something similar. Makes shopping just that bit easier.

Some might say driving a ride-on lawnmower around Australia is a pretty silly idea. You'd be right. But we love silly adventures here at Carson Street School, and we think our School Board Chairman Les Ozsdolay is cut from the right cloth! Les and a group of other Rotarians have kindly donated their time and efforts to help co-ordinate and carry out the ridden expedition.

The work done by Royal Flying Doctor Service and Australian Rotary Health is the reason to support the 'Ride to the Other Side'. They will be riding 5000 plus km in

June and July or 255 hours sitting on a lawn mower seat. Junee, New South Wales via Townsville to Darwin, Northern Territory and the Darwin Lions Beer Can Regatta Assoc. Inc. raising funds and awareness.

'Ride to the Other Side', as it is known, involves a Hustler Super Z ride-on mower being driven 15,000 kilometres to raise \$1 million for Rotary projects and other important charities.

Craig Alford, part owner of Armadale Mower World in Perth and from the Rotary Club of Armadale, Western Australia came up with the idea several years ago.

The school has recently received information from Love Quilts Australia, an organisation that makes and gifts beautiful cross-stitched quilts to chronically and terminally ill children in Australia and New Zealand.
