Student Transitions

The last term of the school year is well underway and planning for 2019 is proceeding. This year we have 11 graduands who are ready to transition to high school. I would like to thank Mr Peter Salleo, Deputy Principal for leading the organisation of the transition program. My thanks go also to the teachers and education assistants who undertake the vital responsibility of ensuring a successful transition for our students as they move to the next phase of their schooling.

P&C Fun Day

Once again our school community was treated to a fantastic 'Fun Day' hosted by our P&C who organised a number of special activities including pony rides, train rides, farm animals, face painting and a bouncy castle. The event culminated in a sausage sizzle. Thanks goes to P&C President, Liz Green, P&C office bearers Lisa Wells, Sally Coad and John Exeter and our parent volunteers for their continued support.

Congratulations and celebrations

Congratulations are extended to **Sarah Rowe** on being awarded the highly competitive position of **Level 3 Teacher**. This is a special achievement and we are proud to have two 'Level 3s' on our staff.

It gives me great pleasure to also congratulate **Anna Ward** who was recently awarded **Senior Teacher** status!

Our compliments are extended to the swim team **Kerry Atkins, Kylie O'Dea, Anna Mirco** and **Jana Witherington** upon the completion of their Advanced First Aid accreditation.

Four staff members were recently nominated for the WAESPAA 'Education Awards': Teachers **Josie Vanweerden** and **Talicia Dodd**, Education Assistant **Cinnamon Bonnefin** and School Support Officer **Dallas Bird**. Josie and Talicia have both been chosen as finalists in their respective categories. All four nominees are worthy candidates and we send our best wishes to Josie and Talicia as they go to the final round of judging.

Our school community is proud of our staff and their achievements and we wish them every success as they continue their career milestones.

Farewell Mim Little

Our wonderful Librarian, Mrs Mim Little will retire this term. Mim has been integral to the development of the Library Resource Centre at Carson Street. It has been my pleasure to work alongside Mim and the Library team to establish an environment we all enjoy visiting. We wish Mim happiness, success and good health as she begins a new career commonly known as 'retirement'.

Marc Collins

On a melancholy note we send condolences to Rebecca and Stuart Collins who sadly lost their son, Marc, a short time ago. Our deepest sympathies go to the family at this difficult time. Marc has a special place in our hearts. A Memorial Service for Marc will be held at the school for family, friends and school community however the date has not yet been arranged.

South Metropolitan TAFE

Each semester Carson Street hosts a visit from pre-service Certificate IV Education Assistants. We have maintained our links with South Metropolitan TAFE for a number of years and know they value the opportunity for pre-service EAs to observe the specialised role of an education assistant working in a special school.

School Visit

The Hon. Samantha Rowe, MLC and Member for East Metropolitan Region was treated to a tour of the school earlier this term. Shane Jez, CECWA Board Member joined us as we reviewed the variety of educational pathways and modified facilities Carson Street provides to enhance learning opportunities for our students.

With the advent of spring and the warmer weather, I hope you enjoy the last quarter of the year and I look forward to catching up with many of you at our Graduation Concert on Friday 7 December.

With best regards,

Ros Hamling, Principal

From Marian, Community Support Chaplain

Dear Parents and Carers,

The Family Get Together on Wednesday 26 September was a great success. Check out the fun!

The next Parent Information Session will be held on Tuesday 20 November at 3:00pm in Room 2.

We have the following guest speakers confirmed: Kristina Koutro from Identitywa, Joy Norton NDIS Support Coordinator from Red Cross and Lynne Anderson from Wesbar Vanquip.

Please note that while all are welcome there will NOT be any staff available for the supervision of children during this event. I look forward to meeting you all there. Please RSVP by 16/11/18.

Yellow Gum

Have you ever seen time fly???? Get yourself down to Yellow Gum as we seem to be experts at getting to the end of the year !!!

It's been a busy term with our theme of celebrations - starting of course with a fantastic grand final win for the West Coast Eagles! Then we had Aralie's birthday, she's nine now. The Family Fun Day organised by the P&C and Tyler tried out for a ride in the Melbourne Cup.

Apart from celebrating, everyone has been working hard to make the writing of their reports a little easier on Miss Linton!! Yay, Lily for finally looking at your feet when stepping into boxes. Kudos to Alex for getting some revenge on Mr P with his water gun that was a perfect bulls eye. Aralie, your balloon art was amazing - if only Mr Salleo could have seen you at work/play! (He was cleaning up a paint mishap in the kitchen - did I say thank you Peter??)

Evie agrees it's time to put up the Christmas lights..then it really will be the end!!

Our School Board meets once a term on Thursday mornings between 8.30am and 9.30am. In 2019 we will ask for nominations to join the Board as we will have two parent vacancies to fill.

If you would like to see what is involved, we invite you to attend our next meeting on:

THURSDAY 15 NOVEMBER

8.30am—9.30am

in the Principal's office.

Please RSVP by Tues 13 November by visiting the front office or by emailing corina.botica@education.wa.edu.au

Thank you

Room 7

In Room 7 we have been learning about farmyard animals. When Landsdale Farm came to visit on our Fun Day, it was awesome to see, touch and even ride some of these animals.

Orange Gum

Orange Gum students really enjoyed the Fun Day including face painting, photo booth, petting zoo and pony rides!

Green Gum

Green Gum had a great day at our bowling excursion with the whole school at the end of Term 3.

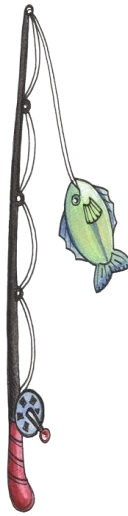

Ridhan, Faris, Zhiqing, Charlotte and Einas had a fabulous time. We are looking forward to more adventures together!

Room 9

The month of October has been very eventful for our class. We went for our very first fishing excursion at Mount Henry jetty and had lots of fun. After an hour of sitting in the sun holding our fishing rods and hoping for a nibble, Adam had the first catch! We were all very excited and took turns to look at the fresh bream! It was unbelievable, this made our day! We got back to school in high spirits.

The family fun day was also good fun. We enjoyed pony rides and it was great to watch everyone in our class having a turn! Some of the activities included face painting, jumping castle and balloon animal making. We look forward to the rest of the term!

CECWA

CECWA are honoured to announce our current board following our recent AGM on the 25th of October.

Please meet Diana Guttridge who is CECWA's Chairperson and Director of Grants, Fundraising and Events.

"It is an honour and a privilege to be involved with CECWA and help lead the board to make a difference."

Diana has a Bachelor of Business (Major in Marketing) with five years experience on the Our Lady of Grace School P&F, three of those years as The Event Co-Ordinator and over 30 years work experience in Sales, Marketing, Hospitality, Administration and Customer Service as well as running a successful Thermomix business for over 6 years.

"As a wife and mother to three children, I believe that every child deserves the chance to express themselves and be the best they can be."

You also might remember Diana as one of our keynote speakers at our Dinner for Dreams Gala in March.

Please meet Tom Carlin who is CECWA's Vice Chair for the 2nd year running.

"After being introduced to a family involved in Conductive Education a number of years ago I have really seen how much the Conductive Education programme can help changes lives. I am deeply passionate about making sure, as a charity, we do everything possible to support and assist in the education of those in need. I have been moved by the commitment and dedication of both the parents and my fellow board members and really do feel the charity has had a major impact on the lives of those exposed to Conductive Education. "

Tom aims to rely on his extensive marketing and business especially as Principal of Tom Carlin Real Estate to be able to keep growing CECWA so as to further support the children and families, to provide a better future for them.

"Having the ability to look in from the outside I am hopeful I can continue to move the charity in the right direction to be able to better raise awareness and funds whilst ensuring it is assisting in the best ways possible."

We are also honoured to also have Shane Jez as our Director of Political Affairs, Jennie Jamieson as our Director of Finance, Lynne Anderson as our Director of Marketing, Caroline Fitzpatrick as our Director of Administration, Brooke Hill, Linda Jane Eaton and Tracey Coad as our Parent and Community Representatives, Shona Ballantyne as our CE Representative and Ros Hamling as our Carson Street Representative.

CECWA would like to thank Renae Telo for her tireless enthusiasm and support of CECWA and our Carson Street community for many years. Her media, marketing and heart skills have not gone unnoticed and has been a major contributor to getting CECWA to where it is today.

Thank you to all who completed the Music Rocks Survey late last term. Responses indicated the 2018 program met expectations for the majority of respondents; however two thirds of respondents could not / did not wish to commit financially to this program for 2019. As such, Carson Street School will look for alternative inclusive experiences for all students next year.

Thank you, Janine Beattie.
