

Carson Street School

expert staff | exceptional programs

Dear Parents / Guardians

Carson Street School can apply for Companion Cards for each of our students to be used when your child goes out on our Community Access Program. The Companion Card is a very important part of the Community Access Program, and without the students having these cards, the program would be severely restricted.

The application form is rather detailed and requires details from Parents/Guardians as well as Service Providers and Health Professionals. Our School Nurses can assist by filling in Item 6, but we require you to fill in the remainder of the form, and provide two passport-sized photos prior to them doing their part.

Once the forms are returned, our Nurses will complete their relevant section and the school will submit the application on your behalf. Your child will receive two cards: one for home and one to stay at school.

Please return the forms with your child's enrolment documentation so that we can get these Cards underway as our students gain socially and educationally from visits to community attractions.

If you have any questions, please contact the school on 9361 7500.

Yours sincerely

A handwritten signature in blue ink, appearing to read "Roslyn Hamling".

Roslyn Hamling
Principal

10. Companion Card - cover letter
