

The Rainbow Reporter

**A Carson Street School Newsletter, written by the students,
for the students**

Welcome to the first edition of The Rainbow Reporter. This newsletter will be written by the students using AAC, featuring articles about things they are interested in and highlighting great work that they want to share. Whilst we have a team of hotshot journalists and editors in our Newsletter Hobby Club (Wayne, Talia, Adrien and Minnie), all students can contribute to the content, so get writing everyone!

Who is asking the big questions?
Meet our Hobby Club top journalists!

The REACH Cake Sale

Our reporter Wayne visited the recent Reach class cake sale to ask some questions.

“Why” are you selling cakes?

Aahan answered, *“for the people who help the animals.”*

“Do they help goldfish?”

Samuel said *“Yes, and cats and dogs for water and shelter and food.”*

Wayne looked at the delicious treats and said *“please-I want something to eat or drink- dinner-excuse me-chocolate- I’m sorry-I want-hug”*

No chocolate for you this time Wayne, but some great questions!

Where did the \$140 raised from the REACH cake sale go? Our reporter on the scene, Ryan, tells all.

On Thursday, we Had A Morning
Tea To Raise Money for
Pets. We Then went to the
Animal Protection Society to See the cats and
Dog to give them the money. I Feel
Happy!

Things are a bit different at the moment everyone!

As many of you are spending extra time at home, keeping safe from the Corona virus, we would love for you to email us with some great work or fun activities that you have been doing.

It can be hard not seeing our friends everyday so by sending in a photo of you doing something fun, some writing you have done, a book review, some baking or artwork that you have created...anything at all, might put a smile on one of your friends faces.

We will include all submissions received in the next Student Newsletter. You can email **sarah.oneill2@education.wa.edu.au** with anything you would like to share.

Stay healthy and help out at home by washing your hands to get rid of those nasty germs.

See you soon everyone!
