

**A Carson Street School  
Newsletter, written by the  
students, for the students**

It has been great to see everyone back at school now and plenty of exciting learning happening in our classrooms. Term 3 is always busy with fun events and activities, and with Science Week and Book Week, we have had plenty to experience and write about.

As the building next door is being demolished, and there is a lot of noise and exciting vehicles around, it has given the students much to look at and talk about. See some on the spot reporting inside.

We welcome Musa to our team of hotshot journalists. He was so impressed with the previous issues that he wanted to join in too!

We hope you enjoy the third edition of The Rainbow Reporter. It is as jam packed as the term has been. Phew!

# Weather With Wayne

The weather has been windy, windy. The weather has been frosty. I am your weather reporter and I have seen fog and frost. It has been cloudy and windy, sunny and foggy, sunny and there was even a flood. There was more sun, more floods and then bright sunny, sunny.

I predict that it will be red sunny rainbow weather in the next few weeks.

# Musa Reviews

Who likes watching TV? Musa does! He has some top tips for what to watch when you are at home.

Paw patrol—good—  
hurry up— TV.

This is good. Hurry up  
and put it on your TV

Giggle and Hoot-like-  
myself-I— best-loud-tv

Giggle and Hoot is the  
best if you watch it loud  
on the TV.

Playschool— opinions-lazy-  
quiet.

It is a lazy and quiet show.

# Get Snappy!

Our journalists love getting out where all the action is and taking important photos with their devices and cameras.

Musa's selfie was taken with his eye gaze camera on his communication device. About this photo, he says "My favourite music is from The Wiggles. I live in Perth. I go to Carson Street School. I have one brother named Ebrahima."

Minnie took her photo using a phone. She chose to take a photo of a toy. "I don't like this -wrong-stinky-too easy-I like-more-funny"

Wayne took a photo of some orange flowers that he liked outside, using his eye gaze camera. He said "I'm asking a question-tell me yes or no-something to eat-can I please?" Sarah checked and sadly we cannot eat these flowers.

Adrien used his eye gaze camera to take a photo of a PODD book. He said "Let's go-river-Mum's house" with this PODD. Adrien knows that it is important that our words go everywhere with us.

# Have You Heard About The Curious Creatures at Carson Street School?

The 2020 Book Week theme of Curious Creatures and Wild Minds got the Student Council using their imaginations to create their own curious creatures. The rest of the school enjoyed going on a walk to find these creatures and read all about them.

Carson Street School is a fabulous place,  
Each child has a huge smile on their face.  
They learn and have fun as they work hard and play,  
But do you know what happens at the end of the day?  
When the children go home, curious creatures pop out!  
They've been hiding all day so they don't make you shout.  
So come with us now and search far and wide,

With one Faction event to go in Term 4, 'more to say- I'm asking a question -who- categories- activities- game- win?' Who will win???
