

Carson Street School

CSS News

September 2020

Principal: Ros Hamling Deputy: Peter Salleo School Board Chair: John Exeter P&C President: Lia Hackett

Rose Gum are the right kind of students in Music!

Be Kind to the Environment

By helping to pack away the toys at the end of the lesson, Ryder is being kind to the environment.

Be the Achieving Kind

By holding the ukulele correctly, Oussama shows that he is the achieving kind.

Be Kind to Yourself

By participating in a directed activity such as playing the piano, Khalil is being kind to himself!

Be the Learning Kind

By sitting in their chairs and following instructions on how to play the ukulele, Rose Gum showed they are the learning kind.

Be Kind to Others

By allowing Norman to play the piano with her when it was her turn, Veronica was being kind to others.

From the Principal's desk

Public School Review

We were recently informed that our school will undertake a Public School Review in Term 2, 2021. As an Independent Public School (IPS), Carson Street has been reviewed twice and received excellent School Reports. Our school's approach towards whole school improvement is based upon student achievement in both academic and non-academic areas and we are diligent in our approach to ensuring success for every student. I'm sure our next review will confirm our school's merit in providing high quality education for children living with disability.

STEM (Science, Technology, Engineering and Maths)

Our school's STEM program continues to grow and enrich learning opportunities for our students. We now have a series of STEM books which have been written to stimulate open ended enquiry, curiosity and creativity. These books have been written for children in the early years of schooling and are designed to develop an understanding of STEM concepts. Our STEM inspiration for Term 4 will focus on *Jungles*. If you have time next term, you are welcome to drop in and have a peek at this exciting resource.

Phase 5 Operating Guidelines for WA Schools

Schools anticipate that the start date for Phase 5 COVID-19 restrictions will be Saturday, 24 October. Phase 5 will see remaining restrictions removed, except WA's hard border and access to remote Aboriginal communities. It will also see the removal of WA's 2 square metre rule and the 50 per cent capacity for our major venues. The Department of Education WA will inform schools of any changes to current operating guidelines and this information will be passed onto the school community.

Parent Survey

A sincere *thank you* to families who completed the recent Parent Pulse Survey. Once again, we had a fantastic response from our parent

community. The final survey for the year will be released in the middle of Term 4. Families may choose to complete the survey electronically or in paper form. The information we collect from your survey responses provides us with an opportunity to better understand how we can support your child and how we can best respond to the needs of our school community.

The P&C Fun Day

One of the highlights in the school's events calendar is the P&C Fun Day. Each year the P&C organises a fun-filled day for our students, staff, families and friends. We were again supported by a number of organisations who assist us to provide wonderful experiences for students, families and staff. The children enjoyed pony rides, an animal petting farm, face painting and balloon sculpting. Batman and a Teenage Mutant Ninja Turtle made an appearance alongside the Fire Brigade and Police horses. Thanks to our volunteers who prepared the traditional sausage sizzle which was appreciated by many. I extend heartfelt thanks to the P&C, school staff and volunteers who made this a special day for everyone.

Family Get-together

Just in case you've missed the news, we have another opportunity for families to come together and have some fun over the holiday break. Our Chaplain, Marian Tetlow, has arranged a special morning for families and friends on Wednesday, 30 September. Activities for the children includes a bouncy castle and parents will be provided information at a mini-expo. I look forward to seeing you at this event.

With the holidays fast approaching, I'll take this opportunity to wish you and your family an enjoyable spring break and look forward to seeing you refreshed and invigorated next term.

Kind regards

Ros Hamling
Principal

P&C News . . .

Congratulations to the following P&C committee members:

President: Lia Hackett
Vice President: Brooke Hill
Treasurer: Michelle Hall
Secretary: Renee Danzo

Tyler, Zack and Azzrah all won prizes for their Dad in the Father's Day raffle this year which raised \$646.00. Well done everyone!

The P&C Fun Day was Tuesday 22 September. This day was action packed with activities for the students including the WA Mounted Police, Kensington Fire Brigade, Old MacDonald Farm, several Variety cars and volunteers from Curtin University with balloons. Students enjoyed face painting, pony rides, dress ups and a sausage sizzle. This activity is an annual event funded by the P&C for the students and families of Carson Street School.

Thank you to everyone who supported the Swanview Plant Farm fundraiser for Carson Street School. We look forward to the delivery of plants in Term 4.

From Marian, Community Support Chaplain

Dear Carson Street School community

A reminder the Family Get-together is on Wednesday 30 September from 10.00am-1.00pm and an invitation for families and friends of Carson Street School community was sent out last week.

The Family Get-together is an opportunity for families, extended families and brothers and sisters of our students to all come to the school and join in some family fun during the school holidays. We will have a bouncy castle, lots of fun activities and a sausage sizzle.

The Family Get-together will also include a Mini Expo with Young Carers WA, Ark Support Coordination; 'Wesbar Vanquip' (modified vehicles for wheelchairs) and CECWA (Conductive Education Committee). The Rotary ladies will also have a craft stall with bibs, blankets and other items for sale.

I look forward to receiving your RSVPs and seeing everyone there on Wednesday 30 September.

Warmest Regards

Marian Tetlow

Red Gum

Red Gum have had some action packed weeks this term with the special events of Science Week and Book Week! The class enjoyed participating in a different sea

themed Science experiment each day during Science Week. They each created their own fish using their communication systems describing the features of the fish to create a class book and diorama display. Another highlight of Science Week was dressing up as their favourite sea animal! Book Week brought more excitement as students went on a 'Creature Hunt' in the school searching for the Curious Creatures of Carson Street School created by the Student Councillors. Students got to dress up again, this time as their favourite book character!

Yellow Gum

The Yellow Gum class and the rest of the school had a great Science Week celebration. Students enjoyed the experiments and videos as well as activities which were all in line with the deep blue ocean theme.

The dress up day was also a big hit as many of the students made a great effort to dress up which was lovely to see. Children enjoyed taking photos near the classroom displays.

A fantastic effort from all!

Rose Gum

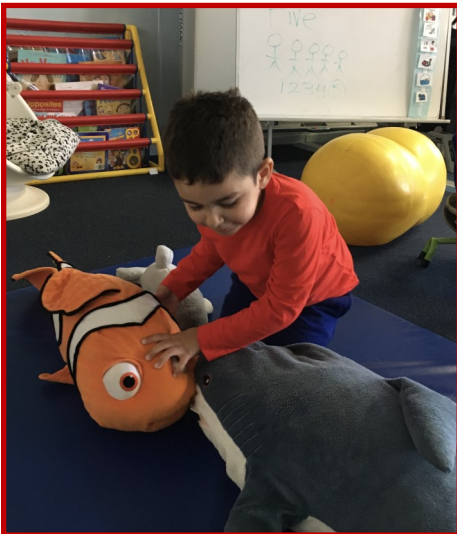

There has been a lot of excitement in Rose Gum the last couple of weeks. Students have had the opportunity to celebrate both Science and Book Week.

During Science Week, Rose Gum enjoyed exploring the deep blue sea through art, toys, experiments and books.

Book Week was also fun. Students

participated in a shared reading of the *Curious Creatures of Carson Street School* created by the Student Councillors. While listening to the story, students searched for creatures found in the story.

Blue Gum

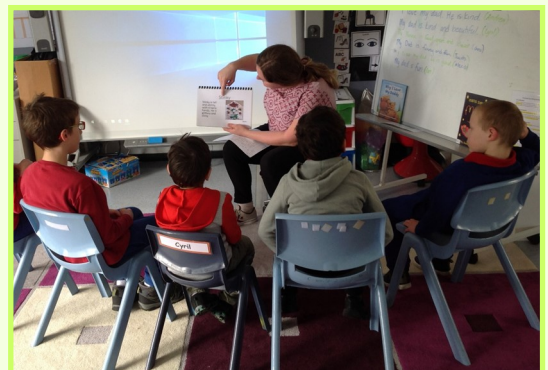

Blue Gum were happy to have two special weeks in a row: Science Week and Book Week! We had so much fun discovering the "Deep Blue Sea" through experiments and sensory experiences.

We had fun roaming around the school looking for the scary Carson Street monsters and listening to the special book that the Student Council made. What's next?!

Wattle

In Wattle we read *The Curious Creatures at Carson Street School*, a book that was written by our Student Council. Then we followed a map and went to look for the curious creatures all over the school. We had lots of fun!

All Donations \$2.00 and over made to **Carson Street School Gift Fund** are tax deductible

REACH

The REACH class have had so much fun learning about the deep blue sea in Science Week through engaging in hands on lessons about sustainability of our ocean and wildlife and of course dressing up!

Book Week was a blast, exploring books in shared reading with curious creatures and wild minds as the 2020 book week theme.

Book Week

Staff and students had a great time during Book Week when we dressed up as a character from our favourite book. We had fun talking to our friends to see who they were dressed as!

Stepping Stones and Milestones

Students attending early intervention classes joined in with the fun, dressing up for Book Week. Other activities included a tricky obstacle course and a treasure hunt for ocean creatures.

The Autism in Cricket program is for everyone who is passionate about inclusion in sport. The program is designed to break down barriers to participation and support children with Autism to get involved in their local cricket club.

People Who Help Us

The men at Vic Park Men's Shed have been busy making stools for staff at Carson Street School. They also made a clever foot rest for a wheelchair.

Thank you so much!

Banksia had a new staff member last week. Maasoumeh is participating in an employment preparation course for new migrants under the government funded AMEP (Adult Migrant English Program).

The course involves improving English language skills while learning about the world of work in Australia, and includes a work placement which she completed here at Carson Street.

Student Equipment Donations

Thank you to Carson Street School students Riley and Azzrah who both recently donated items they no longer need to the school.

Riley donated his stander and Azzrah his bike. Both boys have outgrown these items but other Carson Street students will make great use of them.

Thank you boys!
