

**A Carson Street School
Newsletter, written by
the students, for the
students**

Term Two has been long and busy...but so much fun! With visits from sports stars, to WADSA activities, to discos and not forgetting all the hard work happening in classes, we have had a great term. We are definitely deserving of a relaxing break over the holidays. With new Covid-19 restrictions in place, we hope that everyone has a safe and restful break and we look forward to more fun in Term Three.

Holiday Fun With Alisa

If you are looking for something fun to do these school holidays, Alisa recommends a visit to Scitech. She went in the last school holidays and here is what she thought...

"It was ok. It was alright. I was grumpy when I had to go in the car back home!"

(Opinions-ok-alright-categories-feelings-grumpy-categories-places-in the car-home)

Reading Corner

I didn't like it because it was silly. There was a page with blood on it and it was 'urgh!'

Emilie— aged 9

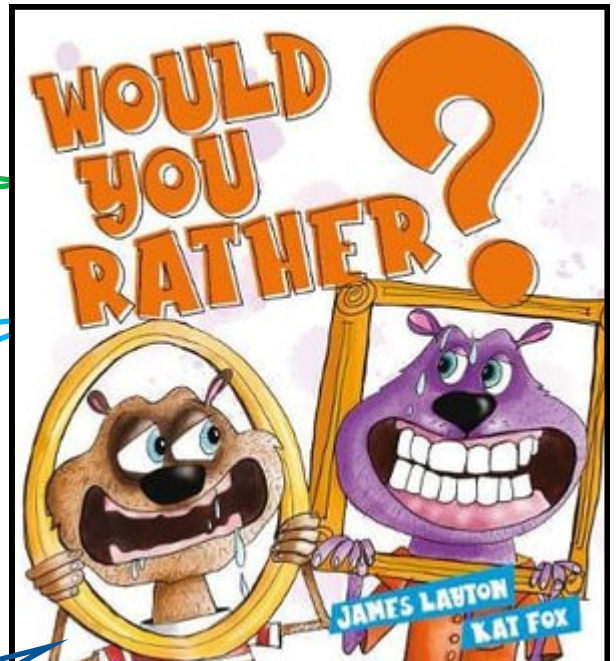

Blue Gum class read 'Would You Rather?' by James Layton and Kat Fox. You can find this book in our library. Here's what they thought.

I want to read this book with Dad. I want to read it more. It was funny.

Ian— aged 9

I liked the characters as they looked like dogs. It was good and fantastic.

Elizabeth— aged 9

It was good. It was a bit ill. It was full of funny.

Joshua— aged (nearly) 7

I liked it!

Jouri— aged 7

I liked this book. My favourite page was when they talked about cuddling an echidna.

Nathaniel— aged 9

Interview with...

The West Coast Eagles

We were very lucky to have visits this term from Rick the Rock, the Eagles mascot, and two Eagles players, Mark Hutchings and Bailey Williams. Yellow Gum class asked the players the tough questions.

How are you? Aralie

Mark— We are very good thank you.
Thanks for asking.

Do you have a tall house? Tyler

Bailey- I'm very tall so when I go through door frames I have to duck down, so when I buy my own house I will make it a tall house.

What do you do in the morning, afternoon and day in the holidays? Lincoln

Mark- We train 10 months of the year so when we have a holiday it is nice to get away if we can and to spend time with family and friends.

Bailey- I like to surf and hang out with family and friends.

How many goals have you scored? Emilie from Blue Gum

Bailey- I'm pretty new so I have only scored 3.

Mark- I've been playing a bit longer and I have scored 46. Josh Kennedy at the club has nearly scored 700!

Do you have any pet ducklings? Lincoln

Mark- No, no ducklings. I did have 2 cats when I was younger, but never any ducks.

Interview with...The West Coast Eagles

*Have you ever been in an ambulance that has crashed?
Lincoln*

Mark- No, luckily I have never been in an ambulance at all.

What do you want for a Father's Day party? Lily

Bailey- Neither of us are Dads, but I think I would like a lie in and breakfast in bed.

Mark- I would want a day away from the kids!

Can you wiggle? Faris

Mark did a Wiggles dance to show Faris he could.

Meet The Newest Recruits

WADSA organised for some of our students to travel to the Eagles training ground in Lathlain, to meet a few players and kick the ball around. Amongst those students were Adrien, Lincoln, Nate and Russell. Eagles player Hamish Brayshaw hung out with the boys and by the end of the session, after seeing their skills, he had signed them up as Eagles players for the 2022 season. Great work team! Self appointed team captain Nate, reported “It was great. The students did some excellent trying. We want to do it more!” (more-more to say-I like it-great-excellent-trying).

As well as meeting Nik Nat and Tim Kelly, the boys played throw and catch and kicked the ball with Hamish Brayshaw.

Dr Amalie Will See You Now

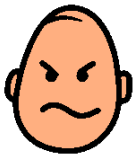

Dr Amalie is keen to help you when you have something wrong. This term people have been asking for advice from our medical expert and as you can see, she knows the best things to do when you are not well.

Dr Amalie! I have a headache. What should I do? Kathy

Go to the hospital and ask a Doctor. Get a dentist to check your teeth.
(health- hospital-doctor-doctor-doctor-dentist)

Dr Amalie, I am grumpy and I don't like it!

Adrien

Go to the hospital and get a Doctor to cut your back and cut your jaw.
(health-hospital-doctor-cut-back-jaw)

Dr Amalie, I have a sore foot! Connie

You need some band aids some medicine and some pills!
(health-band aid-band aid-medicine-pills)

WADSA Fun

Following the success of Term One's WADSA visits, they were back again this term, with even more fun activities. This time we took part in a multi sports and sensory activity session, adapted art and archery.

I wonder what they will bring next term?

Multi Sports and Sensory

Ooooh! It's good!

I love this. I like the shooting activities and the Nerf guns.

WADSA Fun

Art

This is fun!

We fired darts at balloons filled with paint, using a switch activated flinger. You can see our amazing artwork near the front office.

I think that's great!

Archery

Principal for the Day

This term's Principal for the Day was Norman. Norman decided that everyone should have a dance party, so we decided to end our Faction Day with a disco. With big smiles everywhere, and some great dance moves, it looks like Principal Norman knows best...what a success!

If you want to be Principal in Term 3, start thinking of some ideas now.

After a meeting with the exiting Principal (for the day) and checking over some reports, Norman supervised the Faction Disco. Well done Principal Norman!

Faction Update

Term Two was Faction Quiz time. Students answered questions in different categories, such as Literacy and Entertainment, to earn points for their teams. Our Faction Captains came up with some great posters which were put up around the school to motivate their teams. You can see these on the back page.

On the day, Yellow triumphed for the second term in a row, with 114 points. With these points added to Term One's scores, you can see that the Yellows are storming into the lead. We will have to see what Semester Two brings! Well done Tyrese and his Yellow Faction!
