

**A Carson Street School
Newsletter, written by
the students, for the
students**

Term Three is always packed full of fun activities and this term was no different. It was great to welcome back some of our journalist friends who helped with the ideas for this edition. Inside you will find an interview with some special visitors to school, a fun book review, a guessing game and a report on a bocce carnival attended by some of our students, amongst other fantastic articles. You will also get a great insight into what it is like to be a Principal. No wonder Mrs Hamling has taken some well deserved long service leave...it looks exhausting! We hope everyone has a great break before coming back to tackle the last term of the school year...how time has flown!

Happy holidays everyone!

Whose Bag Is This?

Adrien is a fun loving student here at Carson Street and he loves nothing better than a good game. Using his eye gaze technology, Adrien said 'More to say-I want to show you something-bag-have a guess'. What a great game!!

Adrien had a walk around the school and chose his favourite bags. Look at the photos below. Can you guess who they might belong to? *Answers later on in the Reporter.*

Reading Corner

I liked this book because I don't like bananas...and I don't like apples.

River- aged 4

Green Gum class read 'Piranhas Don't Eat Bananas' by Aaron Blabey. You can find this book in our library. Here's what they thought of the story and some ideas about what they don't like to eat.

This book was silly.

Jayden- aged 5

This book was sad. I don't eat strawberries.

Tykeem- aged 6

I liked this story. I don't eat bugs!

Christopher-aged 5

This book was naughty. I don't eat birthday cake.

Bayan- aged 4

This book made me smile. I don't eat bikes.

Interview with...Yirra Yaakin

This term we were lucky enough to have a fantastic performance from the Yirra Yaakin group. Our reporters were ready with some probing questions.

What type of transport do you have? Imogen

We have a van. All of the equipment we use fits into one big box, which gets loaded into our van.

What did you do on Tuesday morning? Musa

We had 2 shows on at other schools.

How long does it take you to pack up? Adrien

It only takes 20 minutes as everyone helps to pack up.

How do you pretend? Ridhan

We use our imaginations!

Who goes first? Minnie (she wanted to ask the performer who played the bird.

The first sentence in the show is “Since the beginning of time” and this is said by Chase the frog.

Dr Imogen Will See Your Pets

Dr Imogen has been in residence this term, ready to help with any pet care needs. Let's see what advice she gave to some animals that came to visit her!

Help Dr Imogen! My bill is sore and I'm not eating.

You have a cold and a sick stomach. You should go to the beach, the park and the playground.

Oh no! One of my legs is broken.

What should I do?

You must be feeling scared, excited and frightened to be at my work. You should listen to an MP3 player and watch TV while you rest.

Ouch! I have something stuck in my paw. Help Dr Imogen!

When did this happen?
Why did it happen? Tell me, do you have cramp in your feet and hips?
You need to eat chicken pellets!

My wing is broken!

That's clever. You need to rest tonight and for 5 tomorrows and then have a picnic.

Future Olympic Stars

As well as having WADSA visit us to provide some more fun switch adapted activities this term, some of our friends attended a WADSA organised Bocce Carnival against Cloverdale Education Support School. Our team looked fantastic in their Carson Street sports shirts and everyone showed the Rainbow Way spirit when they played. Carson Street came second so all of our players came away with a shiny silver medal. Great work team!

Future Olympic Stars

What did our sports journalists have to say about the event?

I want more.

Principal for the Day

This term's Principal for the Day was Chrisha Mae. She was elected because of her great idea to decorate the school with rainbows. As you walk around our school now, you might see some beautiful rainbow displays to make the corridors even happier. I wonder if you will find yours? A great idea Chrisha Mae.

Chrisha Mae took to her role with great enthusiasm and has outlined her idea of a day in the life of a Principal below and on the next page. This might give everyone an insight into what Mrs Hamling does each day...maybe!

It is important to start the day making sure you look fabulous, before having a meeting with your fellow school leaders to discuss the day ahead. Regular sugar breaks are a necessity!

Principal for the Day

Then it is down to work, reviewing policies, typing reports and talking to important people on the phone. Dealing with the mischievous Deputy is a daily chore, but Chrisha Mae soon sorted him out!

A good Principal is a caring one and so the best part of the day is being with the students and seeing the fantastic work that they do.

With all that, plus making sure everyone is following The Rainbow Way, I think you can agree that Principals deserve a well earned nap!

What was it like being Principal Chrisha Mae?
“Good. Chocolate?”

What A Fun Day!

With smiles and laughter, 'wow's' and 'fun!', seen and heard around the school at the P&C fun day, we think we should share just a few of our favourite photos from the morning. Thank you P&C for organising an amazing time for everyone.

Holiday Weather Update

After the last school holidays were such a wash out, Damien was keen to take on the role of 'more to say-I have an idea-descriptions-weather-weather reporter' to give us some news about the upcoming break.

"It will be sunny, sunny, rainy, windy, sunny and there will be some hail!"

Looks like we will need to prepare for indoor and outdoor fun these holidays. Thanks Damien!

If you do anything fun these holidays, that you would like to share with your friends, email sarah.oneill2@education.wa.edu.au and we can put it in the final edition for 2021.

Faction Update

Term Three's Faction event was a targeting game where the students used a flinger to fire balls at coloured bottles. They scored 10 points for every bottle of their own faction colour that they knocked down. If they happened to knock down a bottle from another faction then that team got 5 points. You can see our Faction Captains and Vice Captain for Green, having a go in the photos below. There were some big scorers on the day but in the end the Yellow Team were the winners, scoring 475 points, closely followed by Red with 420, Green with 390 and Blue with 200. So what has this done to our overall scores?

677 points

552 points

513 points

367 points

With one term to go, will Yellow keep their lead? It will be an exciting race to the end!
