

# CSS News

November, 2021

Principal: Ros Hamling

Deputy: Peter Salleo

School Board Chair: John Exeter

P&C President: Lia Hackett

## Room 8

The students in Room 8 have been enjoying getting outside to play as the weather has finally warmed up with some sunshine! As always, spinning around on the merry-go-round is a hit. The new bottle top sensory exploration area has also been of great interest to the students. They like feeling the different bottle tops and listening to the sounds they make when they shake.

We also get to explain how we can be Kind to the Environment by reusing and recycling. Room 8 has also been busy with the usual Term Four activities, including practising our End of Year Concert Item! See you there!

## From the Principal's desk ....

We know that our connections with the community strengthen our ability to support student learning, wellbeing and development. With this in mind, I have listed a few highlights from Term 4 demonstrating the importance of community involvement at Carson Street and how important this is to student success.

### Sensory Storytelling

During the next five weeks, the Parent & Child Program will engage in a wonderful school-based sensory storytelling experience being performed by Sensorium Theatre. Sensory Storytelling is a multi-sensory play-based approach to "readings" of rhymes and popular children's stories. The program uses music and sensory activities to augment children's understanding and enjoyment of story and encouraging early literacy and most important for everyone, it's fun!

### Wesley College Students

Students from Wesley College are providing our students with opportunities to socialise and interact with their older peers. The Wesley students have been assigned to a class and, with a focus upon establishing positive relationships. They undertake a number of activities with the class that include sport, reading stories, playing games or just 'chilling' with the students. Our students are enjoying the visits and the feedback from the Wesley team indicates they would like to continue next year! Although it's early days, we're very keen to establish a mentoring program.

### ESSN Soccer Carnival

Many of our students were recently involved in the Education Support South Network Soccer Carnival. This was a collaborative initiative with Lynwood Senior High School which provided an opportunity for our students to attend an interschool sporting event. Thanks go to Deputy Principal, Peter Salleo and the organising committee – we appreciate the extra time and effort it took to make it happen.

### Class Assemblies Thank you

I would like to thank our families and friends for helping to make our school assemblies a memorable occasion throughout the year. It's wonderful to see the students practicing for the BIG event and then to see our families sharing the special occasion. The morning tea get-together afterwards is gaining momentum and provides us with an opportunity to get to know each other. We hope you will join us again in 2022 when your child's class provides you with a shine moment!

### Conductive Education Charity WA

I would like to offer my heartfelt thanks to the members of the CECWA Board who stepped down at a recent AGM. Most have been supporting and promoting the charity, and our school, for many years. Their achievements include funding the establishment of a high school option for CE students, financing specific training opportunities and professional learning for staff, providing significant funds for CE specific equipment and resources and contributing to whole school fundraising events. The Board also worked tirelessly to promote Conductive Education (CE) in WA. Their service has provided a strong charitable organisation and the new CECWA Board is well positioned to carry on this work. If you would like to know more about Conductive Education, or have an interest in joining the Board, please don't hesitate to contact the school for more information.

Term 4 is always a busy time in schools, however, we're looking forward to the School Concert & Year 6 Graduation event and I hope you can join us for the celebration.

With best regards  
Ros Hamling  
Principal

## P&C News . . .

Dear Parents and Caregivers

A big thank you to Swanview Plant Farm and Andrea Rees for your continued support and the beautiful plants you supplied for our annual plant fundraiser. This year we raised \$378.

The meat tasting fundraiser and band event have been postponed. More information on dates and times will be released in 2022.

The Christmas raffle is on again this year. Tickets will be available to purchase soon and will be available at our annual graduation concert on Friday 3rd December, \$2.00 a ticket. More details to follow.

Kind Regards  
Lia Hackett  
P & C President

THE STAFF AND STUDENTS AT CARSON STREET  
SCHOOL CORDIALLY INVITE YOU TO ATTEND

## 'BE KIND TO YOURSELF, DO WHAT YOU ENJOY' CONCERT & YEAR 6 GRADUATION

RSVP: 19 November 9361 7500 or  
[Jennifer.Faulkner@education.wa.edu.au](mailto:Jennifer.Faulkner@education.wa.edu.au)

PLEASE ALSO JOIN US AFTER THE CONCERT FOR  
LIGHT REFRESHMENTS AND CUTTING OF THE GRADUATION CAKE.

## Rainbow Heroes

**Amalie** is the community kind. Amalie attended the bocce excursion and won a silver medal for the school.

**Tyler N** is the achieving kind. Tyler has increased his ability to use the eye gaze to communicate his thoughts and feelings.

**Emilie** is being kind to others. Emilie has been trying her best to look out for her friends this term and keeping them safe.

**Payton** is the achieving kind. Payton has been listening to the teachers and bus aide and making great choices.

**Alisa** is the community kind. Alisa has been working hard to interact with different students and make new friends.

**Zack** is the community kind. Zack has shown considerable improvement in listening, following instructions and our class rules.

**Elijah** is being kind to himself. Elijah has been learning protective behaviours and using them in the classroom and playground.

**River** is the achieving kind. River shows great interest in books and puzzles.

## REACH

The REACH class enjoy outside play time, and thankfully we have had lots of opportunities to access the community to various parks and have the benefit of accessing two schools with awesome play facilities and equipment.

We use the play equipment to practise our gross motor skills with climbing, balancing, challenging ourselves (resilience) and risk taking as well as social skills in taking turns.

This semester our class have been out in the playground daily practising our soccer skills to participate in the Lynwood SHS soccer carnival.

## Green Gum

Our very active Green Gum boys enjoy the outdoors and have been taking full advantage of the sunshine before the weather changes again. Never a dull or “still” moment with them.

### Yellow Gum

As part of our Term 4 unit "Myths, Legends and Folklore", Yellow Gum students had an opportunity to celebrate Halloween in a fun, and not scary, way this week. We discussed how families celebrate differently around the world and why we choose to celebrate special occasions. We learnt how to celebrate Halloween in El Salvador (Central America): the students heard a Salvadorian folk story called Chasca, and experienced traditional Halloween music and dance. We also wrote our version of the story *Room On The Broom*, decorated a pumpkin, crafted funny ghosts, dressed up and had a Halloween party in our classrooms.

### Orange Gum

Firstly, a shout out to our own super hero, Azzrah, who found himself amongst the Telethon heroes as he left PCH on Telethon weekend. Azzrah is currently recovering from recent surgery and while we miss him at school, we know that he is in the best place at the moment. Love you, Azzrah!

As for the rest of us—we'll playtime is our forte, so to speak. We can handle anything as long as there is music for Syahin, swings for Hussain, sand for Siham, slides for Emily, a good book for Cooper and bouncing balls for Lukie.

Roll on summer holidays!!!

## Banksia

It's great to be back. We are having so much fun and enjoying the warmer weather.

## ALL ABILITIES DANCE NIGHT

FREE

6-8pm, Friday 3 December 2021  
South Perth Community Hall  
Cnr Sandgate St & South Tce, South Perth  
**FREE**, booking essential

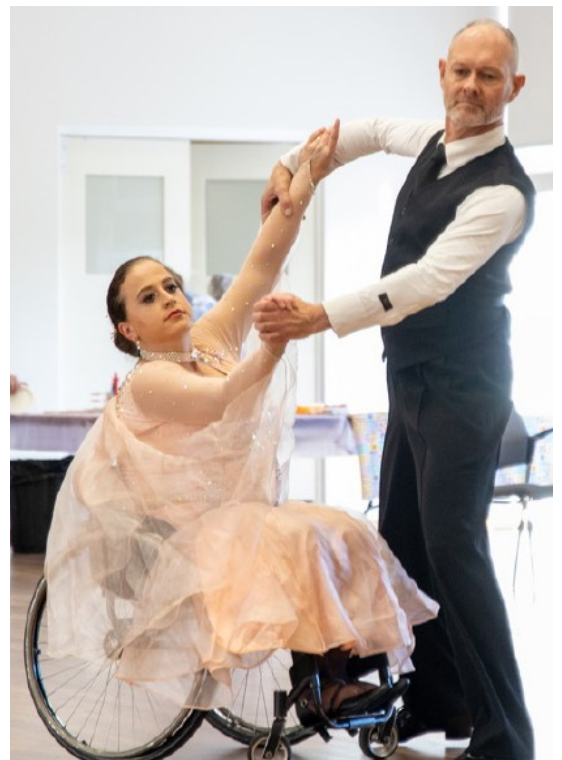

To celebrate International Day of People with Disability, the City of South Perth will be hosting an inclusive 'come and try' all abilities dance evening.

The evening will include demonstrations from dancers living with a disability and dance instruction for members of the public.

The event is free and everyone is welcome.

Sports wheelchairs are provided for the dance experience.  
An Auslan interpreter will be present and light refreshments provided.

## Library Donation

Hon. Kate Doust MLC visited during our Fun Day at the end of Term 3. On arrival Kate presented us with a donation of books for our library.

Kate is a member of our School Board and has been a long-time supporter of the school. We highly value Kate's assistance and ongoing support.

Thank you Kate!
