# THE RAINBOW REPORTER

**A Carson Street School  
Newsletter, written by  
the students, for the  
students**

It has been a very different term to start our school year, with many of our friends having to stay away from school for a while and some people getting sick. This can be a bit scary at times so if you feel worried, please make sure you use your AAC or your voice, to let someone know by asking a question or telling someone your feelings. We will be there to listen to you.

It has been hard to all get together and celebrate events and occasions that we normally do, but it hasn't stopped us from working hard and celebrating in a different way.

We hope you like this special 'Be Kind' edition of the Rainbow Reporter, which shows that things may be a bit different at the moment but we can still shine and look after those around us! Being Kind is so important.

# Twos Day

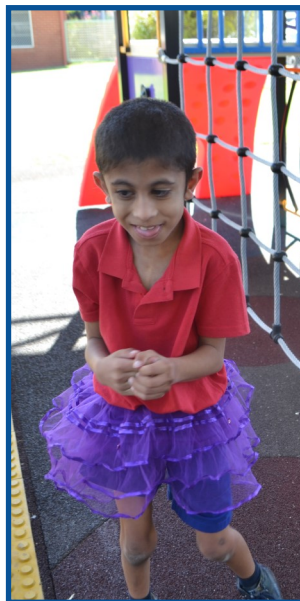

What a special day Tuesday 2nd February 2022 was...2.2.22 was Twos Day! We celebrated by wearing 2 crazy socks, 2 bunches in our hair, a tutu or the number 2 on our clothes. Everyone looked great and it was nice **TO** have a bit of fun!

The Reach class counted in twos, made a list of what comes in twos and did 22 sit ups, push ups, twirls and jumps. Awesome effort!

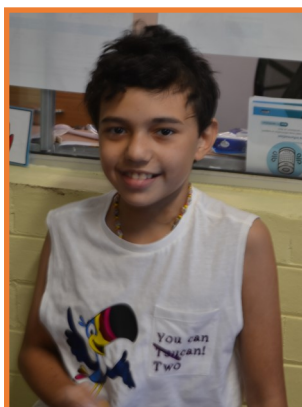

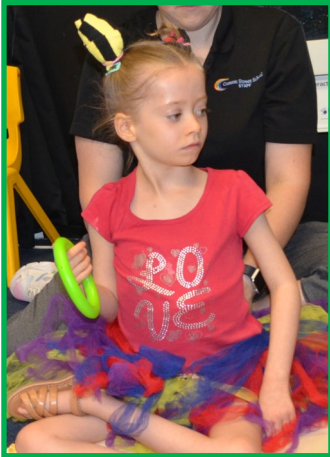

The boys showing us that tu-tus are not just for girls!

# Be Kind Day

Two of our school rules are to Be Kind to Others and to Be Kind to Yourself. National Be Kind Day was a perfect way to practice these rules.

Our Student Councillors received their new shirts and badges and then handed out Kindness Packs to their friends, with some bubbles, toys and books for their classmates to share.

# Be Kind Day

*Damien*

I'm not going anywhere quick as the only bike I go on, is at the gym! We'll go soon.

*Are you OK? Minnie*

# Harmony Day

Thank you to everyone who let us know what countries the students, their parents and their grandparents are from. We may be a small community, but we spread right across the globe! It is not too late to share your flag if you cannot see it on our display. Just email [sarah.oneill2@education.wa.edu.au](mailto:sarah.oneill2@education.wa.edu.au) and let her know.

We look forward to having a big family celebration of culture when we can all safely meet again.

# Principal for the Day

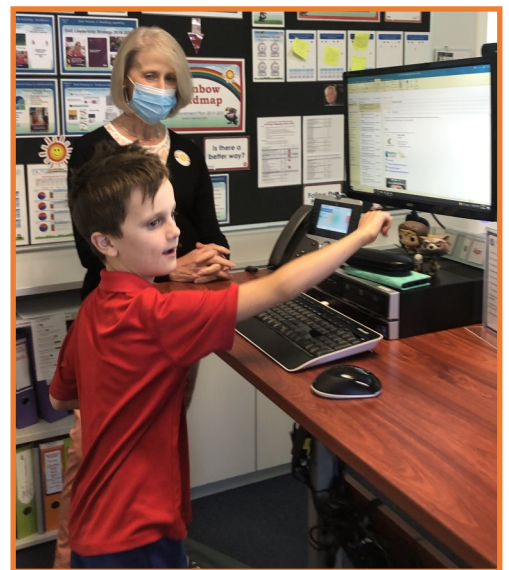

This term's Principal for the Day was Fletcher, and all he wanted to do was dance! Before his disco, which he requested to be decorated with green and flowers, to have Tic, Tac, Toe and clapping games, and coffee and lasagne, he did a check of the school to make sure all was running smoothly.

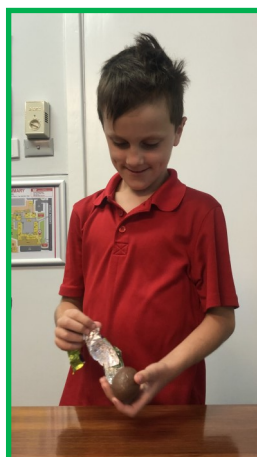

Checking the lights in his new office work!

Did you know about the secret cupboard for Principals?!

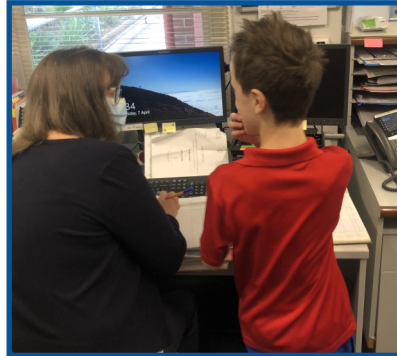

Giving input on reports and being a team player is an important part of the role.

The perks of being a Principal.

# Principal for the Day

Fletcher checked in with staff well being and made sure everyone was happy. Great work Principal!

The disco was a great chance for friends from different classes to get together and dance the term away. Well done Fletcher for your awesome idea!

# Faction Update

A new year brings new Faction Captains. This year we have Ryder as our **Red** captain, Alisa as the **Green** captain, Ellaine as the **Yellow** captain and Cyril as the **Blue** Captain.

This terms faction event was a targeting activity that students participated in during their phys. ed time. A very special shout out to our friend Nate who did his targeting whilst isolating at home! He was awarded an extra 5 points for his dedication to the Yellow faction.

The scores have been added up and the winners for Term One are the **BLUE TEAM!** Congratulations everyone. I wonder if anyone can catch them in Term Two?
