## From the Principal's desk ....

This year has been filled with many memorable moments at our school, and I hope you enjoy this edition of the school newsletter which highlights some of the special events that have showcased the incredible talents of our students, both collectively and individually.

I'd like to take this opportunity to sincerely thank our families and community partners for the invaluable support you've provided throughout the year. Your contributions make a significant difference, and we deeply appreciate everything you do for our school community.

A heartfelt thank you also goes to our wonderful Carson Street staff. Your dedication, professionalism, and enthusiasm ensure our students have the opportunity to shine every single day.

In closing, on behalf of all the staff and students at Carson Street, I wish you a safe, restful, and joyful summer holiday break.

Kind regards,  
Ros Hamling,  
Principal

## P&C News . . .

A very big thank you to all of our families and community partners for a wonderful 2024. We have enjoyed numerous activities and events this year and are getting closer to reaching our goal of being able to purchase new playground equipment. Every dollar helps us get closer to helping our Carson Street students.

2025 is already looking to be another big year for the P&C, with lots of events on the calendar. Until then, we would like to wish all our families a joyful Christmas and holiday season. Stay safe and healthy. Let's bring on 2025!

## From Christa, Chaplain...

**CARSON STREET** stands for:

We are close to the end of 2024 and once again I am so thankful for the opportunities that I have had during this year. To play a small part in supporting our school community, to make a difference in the lives of our students is something I am always thankful for because we are all involved in Carson Street for that one reason, and that is to invest in the lives of our students. I wish you all a blessed Christmas season and wonderful break. Make memories and enjoy the precious time with your loved ones.

Warm Regards,  
Christa,  
Chaplain

## Conductive Education Charity of WA DESPERATELY NEEDS YOU!

CECWA would like to invite all Parents, Carers and interested parties to join the CECWA Committee. We desperately require a treasurer, secretary and more people to boost our charity's numbers. CECWA requires minimum numbers to remain active. Currently we are at risk of folding. We meet six times a year for one hour.

### What is the Conductive Education Charity of WA (CECWA)?

The purpose of the Conductive Education Charity of Western Australia (CECWA) is to support Conductive Education (CE) programs run by the Department of Education in Western Australia through raising public, corporate and political awareness, raising funds to provide both additional equipment and training of specialist staff (Conductors) and seeking grants from different sources, to fund various projects e.g. funding the setting up of a high school CE program.

We look forward to welcoming more families to this wonderful charity.
